

### Jacob's House Benefits from Eagle Project

David Szpakowski with Boy Scout Troop 100 in New Territory, has successfully completed his Eagle Project. This project provided donations to Jacob's House in Richmond which is a home for children and adults in need. Thanks to the generosity of the New Territory community, Unocal, NuFarm, and ABC-CC companies and employees this project was a resounding success. Over 120 boxes of clothing, books, household goods, and school supplies were collected in addition to the larger items such as bicycles, sports equipment, and furniture.

David and the scouts from Troop 100 spent an entire month setting up collection boxes, distributing flyers, collecting and organizing donations. When asked why he did this project, David replied that "helping others less fortunate than myself makes me feel good". David has been a scout since first grade providing community service through Cub Scout Packs and Boy Scout Troops. David is pictured above with some of the children at Jacob's House.

### Girl Scouts Camp in January

New Territory Girl Scouts spent a weekend at camp in January. The theme was "Girl Scout Olympic Games." Each troop picked a theme from the Olympics and ran a game for the other campers. The girls enjoyed trying their skills at badminton, several relay races, shot put, a triathlon and rowing. Girls also participated in flag ceremonies, campfire and a flag retirement ceremony.
