

New Territory's Active Kids

Arthur Rogers of Troop 38 continues working toward his goal of attaining the rank of Eagle Scout with his leadership service project, he recently had a flag pole installed just in time for the July 4th celebrations at the Parkway United Methodist Church.

Eric began his trail to Eagle as a Cub Scout with Pack 150 in Bartlesville, OK and earned Cub Scout's highest award, the Arrow of Light, as a member of New Territory Pack 616.

In four years as a Boy Scout, Eric has been elected to the Order of the Arrow and earned the World Conservation Award. During the summer of 2004 Eric backpacked with his troop mates at Philmont's newest National High Adventure Program, Double H Trek in New Mexico. While at Double H, Eric earned the 50 Miler Award by backpacking over 50 miles and participating in conservation projects.

For his Eagle Leadership Project, Eric, with the help of his troop and leaders, designed, constructed, and raised funds for an octagonal bench surrounding a 100-year-old pecan tree in the courtyard of Sartartia Middle School.

This summer, Eric participated in Camp Constantin's High Adventure "Water Odyssey" program. Troop 616 has been awarded a crew slot for Philmont 2006, and Eric is eagerly anticipating this 10-day backpacking trek. Eric is the son of Tom and Audrey Earley.

On June 20th, Brownie Troop 724 went to the Sugar Land Fire Station #1 to earn their Safety Sense try-it. While at the Fire Station, the girls were given a tour of the station and learned about the latest advancements in fire equipment. They were also educated about how to act in dangerous situations. But of course, the highlight of the tour was exploring the fire engine and seeing the firefighter in his full gear. For information on how to schedule a tour, contact 281-491-0852

Boy Scouts from Troop 616 attended summer camp at Camp Constantin near Fort Worth, Texas in June. Eighteen Scouts from New Territory joined up with around five hundred other Scouts and participated in a variety of activities.

Rifle shooting, waterskiing, motor boating, canoeing, emergency preparedness and first aid were among the many activities offered at the camp. Special activities were also offered; one such activity was a canoe trip through Hell's Gate, a narrow passage through two canyons, and a hike trip to the top of the canyons. Scouts enjoyed the summer camp while learning basic Boy Scout skills and having lots of fun. The camp ended the year on a good note. Troop 616 meets at The Club on Tuesday nights and is open to young men in grades 6-12. Call Dean Kenefake at 281-565-6073 for more information.
