Boy Scout Calls For Old Cell Phones in Environment Cleanup Project

Apr 02, 2007, 06 09 PM

A 15-year-old Missouri City boy is sending out a call for old cell phones, pagers, iPods, PDAs and ink cartridges as a way to clean up the environment.

Zach Myones is collecting cell phones, cartridges and other electronic devices around Missouri City. He will sell these items to two companies that will recycle them. The funds he receives will be used to buy gifts and supplies for Texas Children's Hospital.

The items will be collected at Quail Valley Subdivision on Saturday, April 7, and at Plantation Bend Subdivision on Saturday, May 5. Residents can also drop off items at the Kroger's at Highway 6 and FM 1960 on Saturday, April 21 between 8 a.m. and 2 p.m.
